Happy Birthday (by EST standards)to my dearest friend, Daniel Rodriguez (aka rabmag, punk, and his most very favorite - lunchbox).... :laugh:

You are an extraordinary person who is far beyond interesting.:silly:

So on your 26th, I wish you a Happy Birthday and remind you that every year you catch up with me just a *little* bit in age. LOL. :woohoo:

May you have the best on your birthday, the New Year and always my friend....

And, just *pretend* you're eating the menudo. hahahha!

Ahahahaaa, Daniel doesn't get Chinese food for his birfday! He has to eat weird, cold, "soup"!

Happy 13th Birthday, Daniel!

You're now, officially, in my eyes, a TEENAGER! No more 12 year old jokes!

Thank you for the VERY kind words, Theresa. Here's to another year, eh? :pinch:

And thank you all for your birthday wishes. Happy New Year to you all...drink responsibly, drive safe, click it or ticket, and all that. Hope you all have a good one.

I also would like to wish my pal Steph a happy birthday today! Happy Birtday, Steph :)

Theresa & Jenn, actually, I was lucky enough for my uncle's wife to bring over stuffed shells. I haven't had that since I was a kid! Of course, the traditional mexican witches brew will also be available...this time without eye of newt, I believe :laugh: :laugh: :laugh:

P.S. Ray...I'm not quite as old as you yet!! Give me a few centuries. :P

Happy Birthday!

Hope it is/was a great one. Our daughter turns 16 today too - so a good day to be born on I'd say.

I would sing you a song but then that would just ruin the Happy part of Happy Birthday. LOL:laugh:
